CAUTION: EYE IRRITANT: See caution on back panel.

**Biodegradable
Non-toxic**

**CARRIBEAN
MIST**
Fabric Softener
Fresh Scent

Many traditional fabric softeners are made from tallow and animal by-products. **Carribeian Mist Fabric Softener** does not contain any animal ingredients, is not tested on animals. Free of dyes.

**Biodegradable
Non-toxic
No Phosphates**

- Hypo-allergenic
- Softens and Reduces Static Cling
- Softy Scented
- No Optical Brighteners
- No Petroleum Based Cleaners
- No Animal Ingredients
- Septic and Gray Water Safe

FOR BEST RESULTS: Use 2/3 capful (1 oz.) For medium loads. Use less for hand washes. Add to your final rinse cycle. Pour into water, not directly over laundry. Use more for increased softening.

WE DISCLOSE ALL INGREDIENTS: Natural fabric softener base (derived from soy), natural fragrance (lavender oil), preservative (less than 0.05%), water.

CAUTION: May cause eye irritation. Avoid contact with eyes.

KEEP OUT OF REACH OF CHILDREN

FIRST AID EYES: Immediately rinse eyes with plenty of water. Remove any contact lense and continue to flush for at least fifteen minutes. Seek medical attention if eye irritation persists.
